Presidents Report

It was during last year's Senior presentation night that the incumbent President, Scott Phillips suggested to the audience that perhaps I should consider nominating for the position of President. Having had a 5 year stint some 21 years ago and with the encouragement of my partner Deb, I decided to accept the opportunity again.

One of the first tasks was to compile a new committee that would be responsible for the total management of the cricket club, comprising 20 junior and 5 senior teams. I was lucky to have the support of a number of passionate and hard working members prepared to give their valuable time to make our club function to the level expected. These members included Jamie Parish who did an outstanding job as Secretary with not only the day to day activities required but included negotiations with the Lacrosse Club, Council and third party venues. Nicole Williams again was instrumental in ensuring that our junior section of the club ran smoothly, also being involved in challenging negotiations, being our delegate to the ATCA, finding grounds for teams to use and many other areas. Nicole was not only rewarded with our clubs "Club Person of the Year" award but also the SACA Community Volunteer of the Year award and Cricket Australia's Community Volunteer of the Year (both, a first for our club).

Neville Ash in his role of Operations Manager had a busy year dealing with curators and councils but in the end we had a great playing surface (no leaks!) and good practice wickets to use. Our Treasurer, Nicole Mathee brought experience to our finances with a strong attention to detail and a great result. Andrew Spence was an enthusiastic member who was keen to assist in many areas which was restricted by me with his appointment as Senior coach. He then did a fantastic job with the playing ranks. Helen Jansson again took control of our merchandising with good outcomes as well as helping out with canteen and junior issues. "Grubby" Lynch was always happy to assist with tasks from painting the sight screens to social functions, culminating in being MC at the presentation night.

Jason Gaerth did a good job in the junior coaching ranks while also assisting with some canteen rostering. Despite us being in a pandemic Dr Gibraun Brijmohan gave up his valuable time to assist in areas of sponsorship. Finally, Luke Fahy looked after our social media communications, assisted with functions and was always happy to assist where required. Thank you to all.

Our appointed coaching panel of Andrew Spence (Senior Coach) and assistants Damon Dermody and Chad Parish did a wonderful job instilling a culture and positive vibe amongst the playing group, culminating in the amazing A grade premiership. Congratulations to all players involved as it was one of the most memorable victories I have witnessed in my time at the club and I felt so proud of your efforts. To gain promotion back to A2 was just reward. Also, it was great to see a number of last year's U18 team making an impression in the senior ranks in their first year.

To our junior coaches and team managers, your contribution to our players must not be underestimated, or the influence you can have on these young people. You have all done a mighty job and I thank you. To those of you (you know who you are) that have helped out behind the bar and canteen your assistance is appreciated and helps greatly with our financial position each year. I would be great to see more of our 400 odd parents give a small amount of your time to also assist.

I would like to take this opportunity to thank ALL of our sponsors for their generous support of our club, especially during these tough economic times. Without your contribution we would not be the club that we pride ourselves on being now.

Our acknowledgement would not be complete without thanking our Club Manager Andrea for her tireless efforts, Tam as our resident caterer and having the support of Mark Elsdon and the BSSC.

Presidents Report (continued)

Ian Barnes

This year we immediately faced a couple of major hurdles with a lack of a 3rd ground and then the unavailability of the Lacrosse Oval for 2 months due to damage of the netting that occurred during the winter. This caused numerous headaches for both Nicole and I in particular, but remarkably we did not have to forfeit any matches.

I can also report that we are currently in positive and advanced negotiations with a venue with the view to establish it as our 3rd home ground as early as next season. Stay tuned!

We were also finally able to display our Honour Boards, picket plaques as well as establishing the Brighton Village Green with the wine barrels, stools and outdoor dining on the oval.

At the start of the season I addressed the senior players and recently found the notes that I used on the day.

My reasons for accepting the Presidency were:

- My passion for the club;
- To build on past efforts and continue to grow our club;
- To make Brighton a powerhouse in the ATCA and club of choice;

There were 5 points that I wanted us to achieve:

- 1.Appoint suitable and successful coaches
- 2.Establish a 3rd ground long term
- 3.Expand our volunteer base
- 4.Get back to A2
- 5.Ensure we have some memorabilia displayed within the club

Overall, it has been both a challenging yet rewarding season.

To my partner Deb, who encouraged me to accept the role again and then put up with my additional involvement and commitment the position required, a big thank you.

SEE THE BOMBERS FLY UP!!!!

Senior Coach Report

Andrew Spence

Mission Accomplished

We began the season in August with one clear goal in mind: to move Brighton out of A3 in one season as the first step to achieving the goal of returning to A1 within five years. Mission accomplished, but it was far from a smooth ride.

The usual unavailabilities through injury and other life activities were compounded by the surge in COVID-19 cases this season, which made selection extremely challenging at times.

Throughout the season, 17 players represented the club at A grade level and we also returned to the T20 competition with two sides.

While we didn't have a huge amount of on-field success at T20, it was an enjoyable exercise and one we look to build on further next season.

The experience of assistant coaches Chad Parrish with the ball and Damon Dermody with the bat was crucial to our success with both performing strongly on and off the field. As captain, Steve Marsland also did a great job and really developed as a leader throughout the season.

This experience will be difficult to replace in future years but the younger players – who will be key to the club's success going forward – are progressing brilliantly and this season took the step from fringe players to key contributors.

Examples of this include vice-captain Brad Kielow who bowled several handy spells and was the mainstay of the middle order with the bat, taking out the batting trophy. This breakout season included a match winning 62 in the grand final at Golden Grove.

Other young players to excel this season included Luke Fahy and Louis Bond, who took the gloves and cemented his place at the top of the order alongside Dermody.

The level headedness displayed by young batsman Brayden McKenzie in the final was inspirational, as was the bowling of Isaac Hore in the semi.

All of these five players are well under 25, which augurs well for the future.

There are also many up-and-coming under-25s in our B1 and B3 grades.

It was good to train on turf again this season for the first time in many years at Brighton and while they took a few months to get right the turf decks will be a huge asset going forward.

As well as acknowledging the coaching efforts of Parrish and Dermody, we were also helped by Adam Smith with wicketkeeping coaching on a few occasions, which is greatly appreciated.

Ric Wilson and Barry Prior were also great assets on Saturdays as team managers with Baz also filling the role of practice captain on Tuesday nights.

As A grade skipper, Marsland was a great leader at trainings too and was always willing to help out wherever needed.

The attitudes and the efforts of the other three senior captains – Steven McInerney, Charlie Sutton and Tom Hogan were also outstanding – and took much of the selection burden.

We trained with the under-17s this season on Tuesdays and Thursdays in conjunction with coaches Brett Fleetwood and Scott Prettejohn.

This has led to good relationships being established, which we hope will lead to a better flow of junior players into senior ranks from next season.

While much was achieved this season and it was brilliant to win an A grade premiership, we will need to continue this renewed work ethic and commitment to cement our place in A2 next season and build towards more finals success.

A Grade - Division A3

Captain - Steve Marsland

Wow, what a very special season of cricket for us all at Brighton Cricket Club. With a raft of changes from coaches to captains and players. After relegation to A3 this season, it was a major goal of ours to get ourselves back up the grades. We did achieve this goal this year with us winning the premiership and regaining our spot back in A2. For myself being asked to captain the A grade this was an absolute honour and one that was going to challenge myself. The challenge was made a hell of a lot easier with the full support of which I had from everyone who played in A grade this year. To every one of you, I thank you.

This year we welcomed back some familiar faces and some new faces to the ranks. Aaron Baker was a valuable return for us, after spending some time away from cricket it was an absolute pleasure to have Bakes back with us who slotted straight back into our side. Trent badman was a new face for us this year and a great inclusion. Trent has played a lot of district cricket and the talent and knowledge of the game that he brought to us was invaluable.

After a quality preseason, our first fixture was upon us quickly. Our season got away to a fantastic start, which had us with 2 wins from 2 games. A solid win against an always tough Goodwood in Round 1, got us away to a perfect start to our season. Round 2 was a very good win against Old Concordia. The first half of the season leading up to Christmas had us with 2 wins 1 loss and a very dirty draw. The dirty draw I refer to was against Ingle Farm. What was originally a 2 day fixture, was turned into a 1 dayer the following week after somewhat of a little drizzle on the Friday evening. The wicket was determined to be unsafe by the umpires and a lowly placed Ingle farm who were trying to dodge us in a 2-day game. This game is where I learnt a hell of a lot as a skipper. Adelaide lions dealt us our first defeat for the season for us in Round 5. They bought us back down to earth with quite a thud.

Returning after the Christmas break we took on Para Hills in a 1 dayer, bowling them out for 34. We carried on to a very convincing win ending the day 1/127. With a very handy win under our belt against Payneham in Round 7 which was a rain affected round.

Round 8 bought us every ones mates, A classy outfit in Golden Grove. They did serve it up to us, defeating us quite convincingly, what they didn't know is what we were going to do to them later in the year. Round 9 took us out to the always pleasurable Brahma Lodge. Brahma had been struggling this year and we added to the hurt for them with a comprehensive win. Round 10 was a game which we had Pooraka at home. After making 8/236 in the first week, we went on to bowl Pooraka out for 83 forced the follow on and then proceeded to have them 8/62 at the end of the game. 18 wickets in a day was a quality effort from our bowlers. Last round we came up against SPOC at SPOC in a 1 dayer, which we won in a good all-round performance to get us ready for finals.

Finals Bound

Finishing fourth after the minor rounds and heading into finals hoping for glory and our promotion. We knew it was going to be a tough ask and we all knew we had to fight and grit our way through to achieve what we had set out for. Semi final time was upon us, and we were faced with the challenge of the Adelaide Lions. Lions gave us a touch up early on in the season, so we were ready to take them on. Batting first, we were bowled out for 96. Not having the best total for us to defend, this didn't dampen our spirits. We all know finals are a different kind of beast and we had the runs on the board, and they had to chase them. Having lions 2/20 overnight, none of us expected what was going to happen on that glorious Sunday. We came out tails up ready to give it our all and that we did. Knocking over the top side in a semi final for 60.....

Grand Final Bound

For a lot of us this was our first crack at a Grand Final, yet our preparation and dedication were spot on throughout the week leading up. Coming up against an undefeated and a very well-balanced side in Golden Grove wasn't going to be an easy feat. Going in with the underdog tag was great for us, all the pressure was on Grove to take it home with ease. After losing the toss, Grove decided to have a bat. Without question I would have batted first on what was a very flat batsman friendly wicket.

A Grade - Division A3 (continued)

Captain - Steve Marsland

Groves opening pair got them off to a steady start with the first wicket falling for 33. What seemed to be a pretty steady day for Golden Grove they ended up all out for 206 after 74 overs. Mid way through the Golden Grove innings it looked as if we could have been chasing 250-280. Persistence, Patience, and calmness from our bowlers was a key for us in keeping them to the score of 206.

The time had come for us on the Sunday. We were ready and raring to go and the feeling we had amongst us was positive. Being wary of a very strong Golden Grove bowling attack, we knew it was going to be a tough day with the stick. With nothing to lose and everything to gain our boys held strong through out the day. After being 5/96 at tea it looked like it was going to be a tussle all the way to the end. A lot of words and good bowling from Grove didn't deter us from our batting.

With a strong stand between Brad Kielow and Brayden McKenzie (83 run partnership) this is what got us heading in the right direction to victory. After a long day at the crease and Luke Fahy doing what Luke Fahy does, hitting the most glorious two runs we have witnessed. The two runs to get the Bombers the flag..... Premiership Glory

Sorry for carrying on a bit like Brett Kirk here but the way we all came together during our finals campaign was something that we should all be really proud of.

Looking back, 21/22 season was one we will never forget. For those who played A Grade this year, I am so proud of every one of you for the amazing efforts that you have all put in. Thank you all for your support.

Much love Mars

B Grade - Division B1

Captain - Steve McInerney

In what can only be described as an interrupted season for the B Grade on many fronts (weather, covid etc..), we fought hard to finish fifth. It's not often you'll miss finals when only losing two matches, but due to three of our four home games being washouts that's where we ended up.

In all honesty finishing fifth was probably about where we deserved to be, we played some good cricket at times, but wow, did we play some awful cricket as well. Our losses were both really bad ones against Marion, and the eventual premier Trinity OS, but three of our five wins were by the barest of margins, (1 wicket at Walkerville, 4 runs at Grange, and 3 runs against Reynella) so we did show a bit of toughness and an ability to defend some sub par scores. Our batting certainly let us down at times which is evident when you look at the season aggregates and averages, our bowling did most of the heavy lifting all year.

The two stand out performances for the year were the unbeaten 10th wicket partnership of 36 at Walkerville between Spence and Rowey to get us over the line when all looked lost. Also Isaac Hores' performance with the ball at Grange 2/27 off 17 overs may not look amazing on paper, but it was tough, relentless, and crucial to that win, we saw what he is truly capable of that day.

We only managed one century for the season, thanks to a reluctant Dave Maunder. In his attempt to have a year off, Dave found himself helping out a few times when required, managing to post that lone century up at Scotch college in round 8 ultimately giving us a total we managed to defend on day two, that big knock also saw him take out the batting trophy in just 3 innings.

A big thanks to Andrew Spence who took over the captaincy in my absence after the Christmas break, and carried on his good work from previous years.

Everyone is looking forward to fronting up again next season, and hopefully seeing the continued development of a few younger blokes who made themselves permanent fixtures in the higher grade this year. On a personal note, although I didn't get to see out the full season as skipper I thoroughly enjoyed every part of the challenge and responsibility, thanks to those who decided to give me a chance with it and supported throughout, I hope I met your expectations.

Well done to the Mars and the A grade who played some bloody tough cricket throughout the finals and took a huge step towards getting this club back to where it belongs, we are definitely heading in the right direction.

C Grade - Division B3

Captain - Charlie Sutton

It was with great pride that I was asked to captain Brighton's C Grade this season. Following a grand final appearance in 2020/21 in the C2 division, we moved up two divisions to compete in the B3 competition. Our main goal at the start of the season was to consolidate our position, try to push for finals and prove that we did belong at the level. We were fortunate to retain a core group of players to start the season, with the likes of reigning Bomber Medalist Allan Hutchinson, Steve Reilly, James Mifsud, new Vice-Captain James "Grubby" Lynch, Sam Mitchell, and (following Schoolies and bouts of Covid and injuries) Ryan and Hayden Sekhon all returning, whilst we also had some great new additions who ended the season as vital players in Kai Malady, Tom Marshall and Mark Healey.

We started the season on a wet deck at Margaret Bond Reserve vs. Glenunga with no specialist openers and a few players filling in for us, as we lost the toss and were sent in. Dan Szkup and Soupy Campbell helped out by opening the batting, and whilst it didn't go to plan for Soupy, Dan managed to bat for around an hour and put on a solid partnership with Reills. A few partnerships were formed between myself, Reills, Hutchy and Heals, before we had a bit of a collapse at the hands of former Redbacks opening bowler James Munting and fell to 9/124. At this point, the Glenunga boys began to utter the words "outright". Enter number 11 Akshat Joshi, who batted brilliantly to end up on 30 not out as we put on a 66-run partnership for the 10th wicket. Unfortunately, I cost Akshat a well-deserved 50, as I succumbed to the nervous 90s. We finished our innings with a very respectable 190 all out after 71 overs. We had 10 overs at them, but didn't make any inroads, before the second week was washed out.

Our first "Home Game" of the season was at Woodcroft College against Goodwood. They won the toss and batted. We bowled Goodwood out for 101 using 9 bowlers in 45 overs. Hutchy was at his best, whilst Max Mitchell was outstanding as they both claimed 3 wickets (3/17 off 9 and 3/24 off 10.4 respectfully). Everyone bowled well, as Mifsud claimed 2 and myself 1 whilst Healey, Sekhon and Kai bowled very economically and kept the

pressure on. This bowling effort left us with 27 overs to bat. Again, we had two new openers, Mifsud and Ryan Sekhon, who were outstanding and got us to 0/36 by stumps. There was some rain around leading into day 2, however the groundsman got the roller on the pitch early on Saturday morning, and to our surprise, the pitch looked ok! The Goodwood captain didn't agree, as we waited around for close to 2 hours for the pitch to dry out, before it was finally agreed that play could go ahead. 'Miffy' and Ryan continued where they left off the previous week, before Ryan was eventually dismissed for 20 off 133 balls with the score on 49. Slash player Vish Bhardwa came in and made a solid contribution before falling with the score on 66. Reilly, Hutchy and Healey came and went, however the Great Wall of Brighton, Miffy proved impossible to dismiss, as we eventually reached the target 5 wickets down. Miffy finished with a well-deserved 50 not out from a staggering 248 balls.

Rain threatened to ruin our chances of playing again as we headed out to Park 10 to play Adelaide University. Fortunately, it stayed away, and again, I lost the toss and we were sent in on a decent pitch. Unfortunately for Ryan, he couldn't repeat his efforts, as he was bowled first ball of the match. Hutchy (19) came in and put on a solid partnership with Miff before he was dismissed. I was dismissed shortly after arriving at the crease, which allowed Heals to pummel the Uni attack around the park to score a well-made 36. Miffy just kept batting, eventually being dismissed after accumulating 48 runs from an astounding 176 balls in just under 3 hours. Tom Marshall made a fluent 31 as our total grew, however was unlucky to be dismissed hit wicket after crushing a hook shot. Contributions from Grubby (11), Max Mitchell (14*) and Kai Malady (11*) took us to a total we were quite happy with to end the day - a very defendable 9/186. Unfortunately, rain ruined our hopes of a win the following week, however it had certainly been a positive start to the season.

Our quest to find a home ground as we were waiting for maintenance to be completed at Brighton number 2 led us to Adelaide High School to play a revised one-day match against a very sporting Pooraka team, who had agreed to allow

C Grade - Division B3 (continued)

Captain - Charlie Sutton

us to play the one-dayer instead of a 2-day match for us to have access to an oval. We thank Pooraka for giving us a chance at playing. Things went very well for us after we lost the toss with Pooraka electing to bat. Hutchy bowled without luck to bowl 8 straight for just 18 runs, Ryan Sekhon did the damage at the other end, claiming 3/12 from his 8 overs. Kai Malady bowled first change and picked up his first senior wicket for the club, finishing with 2/5 from 5 overs, whilst I claimed 4 cheap wickets to finish the tail off as we bowled Pooraka out for 45 inside 26 overs. We made light work of the total, with Mark Healey promoted to open the batting as a "one-day specialist" making a quickfire 24. Miffy did what Miffy does, to end up on 15 not out, and Hutchy was solid at the other end making 10 not out. Once the total was passed, we agreed to finish the match early at Pooraka's request, and given their sportsmanship, we had no issues with that.

We finally got the chance to play at Brighton against Old Concordians in an exciting match. We won the toss and elected to bat, on what seemed like a grassy, yet playable pitch. Our innings never got going, as we lost consistent wickets to be bowled out for a disappointing 28. Despite this, we didn't lose belief. A fired up Hutchy (3/7 off 9) struck 3 times with the new ball and myself once, as we had them 5/24 early on in their innings. Unfortunately, we let one partnership drag out as they passed our score. Leggie Sam Mitchell bowled a beautiful spell of 4/32 off 14 to clean up their tail as we bowled them out for 88. The next innings didn't start too well, as we stumbled to 3/16, before some crucial partnerships between the returning Hayden Sekhon (68*) and Heals (25), Reills (13) and Tom Marshall (21) led us to our declaration total of 5/149. This left Concordians with a target of 90 runs off 21 overs with only 9 wickets in the shed. They started well, getting to 0/33 in no time, before Kai (2/12), Akshat (2/14) and Tommy (4/18) stepped up to do some damage with the ball. It all came down to the final over, with them needing 2 to win, and us 2 wickets. Tommy bowled with ice in his veins, as he removed the set batter early (with them crucially crossing), they then hit a single, leaving scores level and their number 10 to finish the job. He couldn't get bat on ball, and their captain was run

out last ball of the match as they were bowled out to finish the match as an outright tie, and some pride was well and truly restored.

After Christmas, we headed over to Marion for a one-dayer to play in a Grand Final rematch. We won the toss on a green top, which made the decision to bowl very easy. At times we bowled poorly, however we managed to bowl them out for 139 as the wickets were shared amongst bowlers, with Hutchy and Kai the stand outs. Frustratingly, we again didn't get going with the bat, as we stumbled to 4/13 very quickly. Kai was a shining light in our innings, top scoring with a well-made 32, but we were bowled out for a disappointing 69. Unfortunately, after this match, Hutchy was ruled out for the season.

In round 7, we ventured to Park 9 to play PAOC, as Grubby deputised as skipper while I played in the B's for a round. We won the toss and elected to bat, and whilst starting slowly to fall to 3/20, Heals (44) and Reills (28) batted brilliantly to put on a 75-run partnership. Kai chipped in again with 14, however constant wickets fell, as we were bowled out for 128 in 68.2 overs. La Niña again reared its head the following week, as rain ruined our chances of a result.

Gepps Cross was a frustrating tale of what could have been. I was struck down as a close contact and missed the first week, whilst Grubby called up to the B's, so Tom Hogan played his first 2-day match in a couple of years and stood in as skipper. We won the toss and elected to bat, but a few batters threw away solid starts as we were bowled out for 101, Miffy again top scored with 34. Gepps Cross finished the day unscathed, so as we entered week 2, we knew we had a lot of work to do. Unfortunately, it didn't go to plan, with Gepps Cross passing our score with ease to finish on 1/107 declared. Sportingly, the captains agreed to 28 overs plays 29 to go for an outright. We managed 7/96 declared, as Heals top scored with 31, whilst Kai again chipped in with 20. The chase seemed done and dusted, as they cruised to 3/64, before Kai started to wreak havoc. Bowling 13 overs straight, Kai ended with an outstanding 6/18, however they heartbreakingly passed our total 8 down with an over to spare.

C Grade - Division B3 (continued)

Captain - Charlie Sutton

Returning to Brighton, we got the opportunity to play on number 1 against Golden Grove, which would be the first time for many in the team. We were lucky to have Steve McInerney slash for us, and even more lucky that on a dry pitch, we won the toss and elected to bat. We made a steady start, however found ourselves in a bit of trouble at 3/15. I was able to stick around at one end, whilst "Smacca" played the innings of the season, crushing 127 off 134 balls as we put together a 132-run partnership. I eventually put the crowd out of their misery, being dismissed for a scratchy 30 off 131 balls, however Smacca continued the carnage, and we got to 213. Day 2 was a day of attrition, as we toiled for 77.4 overs, to eventually bowl them out for 178. Everyone bowled very economically, especially the tireless Tom Marshall, who bowled 18 overs (15 of them straight), 10 maidens, 0/23. Healey was sensational as he picked up 2/12, whilst Kai, Sammy and Miffy were miserly. Despite some dropped catches, Ryan Sekhon and I picked up some wickets at the end as we enjoyed a very satisfying victory.

The next round was against finals contenders Woody Rechs at home. We again won the toss and batted, making a competitive 147 for the day. The innings included contributions from Miff (20), Reills (14), Heals (30), Shorty returned to hit a couple of bombs, whilst Kai again scored a valuable 23. The next week was a very satisfying one, as we bowled them out for 81 in just 36.3 overs. Lachy Ash produced his finest display of the season, picking up 4/21, whilst Sammy Mitchell was outstanding for his 3/14 and Ryan Sekhon claimed 2/16. We batted again for 25 overs, as Hayden played flamboyantly for 56 not out. We picked up the first innings points and guaranteed that we would be playing in B3 again next season.

We travelled out to Max Amber Reserve for the final match of the season against the undefeated, and eventual premiers Athelstone. We won the toss and had a bowl, on a pitch with a bit of moisture. We started well without luck, as we dropped two chances off their opener, who would eventually score 104 not out. This would prove to be the difference. Ryan was economical, bowling 9 overs, 0/31, whilst Tom Shearing had his first bowl of the season for us, bowling brilliantly to

take 2/19 from 6. Healey and Kai also bowled well, whilst I took the other 3 wickets as they made 5/190 from their 40 overs, a total we thought was gettable. We started off extremely well, with Heals smashing a quick 28, as he and Hayden put on 46 for the first wicket. Miffy (29*), Reills (31) and Kai (15) then went about trying to chase down the total, but we would eventually fall about 60 runs short, finishing our 40 overs at 4/129.

We finished the season in 8th position, with 4 victories, an outright tie, 3 washouts and 3 losses, a respectable record for a young team playing 2 divisions up. So many grew as cricketers, such as Miff, who became an opening batter, and Kai, who grew into a key allrounder with a big future ahead of him. The Sekhons continued to mature, Sammy's leg spin improved, whilst the experienced Heals and Reills were consistent with the bat and Grubby's keeping came along. It was a great honour to captain the team, we had a lot of fun and played with great spirit, thanks for the season boys, looking forward to the next one!

One Day Cricket - Division 4

Captain - Tom Hogan

Firstly - thanks to everyone that played in the L04 for 2022. Last year we had a squad of 28 Players, which I thought was quite high. This year we had no less than 54 blokes play at least 1 game, an amazing number. There were many challenges again this year, Covid, Injuries and unavailability's throughout the grades which really hampered our effort to put a consistent side on the field each week.

I'd like to thank the captains that filled in for me when I was unavailable. Thanks Bob Morrissey, Nintin Jahkwal, Dean Chambers and Mark Wilson. Special thanks must go to Bob Morrissey for updating my cricket all year making my job easy. Also Jamie Parish for the magnitude of team changes each week and even on Saturday mornings.

An encouraging start

Round 1 saw us get washed out against Rostrevor, a side that would not win a game all season and get relegated.... A missed opportunity.

Round 2 was against last year's premiers Pembroke and it wasn't a great start, with us batting on a slightly wet wicket and our own blokes dishing out dubious lbw in the first 2 overs. Dean Chambers stepped up and steadied the ship with an unbeaten 53* allowing us to post a defendable total of 120. Nintin Jack snagging 5 fa got us the early chocolates

Round 3 was again scheduled against Pembroke. Full of confidence to make in 2 in a row, we were thwarted by more wet weather. Another lost opportunity.

Round 4 was a game where the spirit of cricket and sportsmanship came to the fore and my hope in humanity was restored. With our number 2 ground out of action due to nets falling on fences, we were left searching the next two weeks for a spare ground. Thanks to Ian Barnes for his efforts ringing every possible club without luck 2 days out from the match. I rang Walkerville president and Thursday afternoon and explained we were without a ground which therefore leaves us with 3 options:

- We forfeit, Walkerville take the points
- We find an available ground
- We play on hard wicket, if you agree to it and the ATCA do also.

They said they didn't want to just take the points, where I'm sure other certainly would have and agreed to play us on hard wicket should a ground become available. Thankfully a turf wicket appeared on Friday, and with a strong side we amassed our highest score of the season 2 for 244, Hogan 51, Vlok 93* Maunder 81*n and rolled them for 8/157. Fitzgerald 3/26, Chambers and Nints 2fa, and the biggest stat of the year and my first and last over in about 10 years saw 1 for 8 after 1. Yes I got a wicket.

Round 5 V Hope Valley for another away game saw Mark Howard come in and smack a brilliant 82 with a few contributions from De Beyer 21 Vlok 19 Chambers 26 a defendable 6 for 171. Unfortunately we were 2 bowlers short and they passed us in the last couple of overs 4/174. These guys were all in their 20's, did half an hour warm ups which is against the bylaws of 1 day cricket, were by far the most cockiest team we played against. They ended up going undefeated for the season, so I was thrilled to read in the paper they lost the GF.

Round 6 was the re match against the good boys Walkerville. With Big guns Maunder and Heaney in the side, I had already chalked up the win. They made 181 with young Locky Ash taking 3/32 and leading the side in the field. Vloky and Nints bowled well for 2 a piece. Deano once again held the innings together making a fantastic 60, and forming what was looking like a match winning Partnership with Locky 24, where by an unfortunate run out occurred and Deano was on his way. Hugh Edwards another recruit for the year showed that he was more than capable with the bat and hit a solid 22 before holing out. We ended up 11 short, a game we should have probably won, albeit was probably the game of the season for all the right reasons.

Round 7 v Hope Valley was where season started to go awry, with losing a couple of key members, Nintin and Deano with injury. We fought hard to post a score of 131 but we lost two many wickets Vlok 48 and Hogan 42 with a solid effort from

One Day Cricket - Division 4 (continued)

Captain - Tom Hogan

first Gamer ex pres Scotty Phillips with 14. Bobby Morrissey bowled with guts 2 for 16 of 8... impressive but we lost convincingly.

The Losses continued against Old igs in round 8 but special mentions to the young guns Zach Parish 27 and Seb Malia 15, who batted well together and often helped me out during the season. Soupy Campbell looked good with the bat with 23, but they passed us 1 down.

Round 9 was the last match before the Christmas break, and Fulham had a solid side notching up 224, with wickets from Locky Ash 2 Fitz 2. Hugh opened the batting and put on a brilliant 55, with more runs coming for Vlock 73 resulting in 7/188.

Round 10 v Trinity saw the return of Mark Wilson to the LO4 and he hadn't lost any form opening up and smashing 24. This was one of the funnier moments when boom recruits Christopher Salter came out to help and with his whole family out to watch. This lasted 1.5 overs as he trudged off holding his Hammy from the furthest part of the ground. It was belly laughing stuff, and a good result in that Alexander Wilson and Hayden Salter both got to field for most of the day. In another show of fantastic sportsman ship Trinity who had an hour plus drive allowed the 11 year olds to bat 4 overs. It's why we play the game, even though we got smashed we all left feeling happy that cricket was the winner.

With Round 11 washed out, Tickets once again took charge in Round 12 scoring a solid 43 scoring a solid partnership with Dave De Beyer 28 which set up a big enough total against SPOC so the destroyer Bob Morrissey could clean up 3 for 13 of 8 overs, supported by nick Vlock 3 fa.

Round 13 V Fulham saw a poor showing from us with the bat, with the only double figure scorer being Mark Wilson. New Comer Rob Williams did well with the ball snaring 2, and first gamer in many years Shaun Tilbrook showed his class getting 2 wickets after a rusty start.

Round 14 v Warriors saw David Fitzgerald get his first runs of the season getting 37, while Paul Wilson filling in smashed a quick fire 24. Fitz also

full of confidence snagged 3 wickets but ultimately notched up another loss.

Round 15 was a tight game against Adelaide Uni, one which we should have won. Solid batting total of 190 should have been enough but they chased them down with an over to spare. Nintin back in the side smashed a good 39, with support from Vlock, Hogan Debeyer and Fahy.

Round 16 with 3 rounds to go we needed wins, but again failed against a quality side in Kilburn who would go on to win the flag, Not much to report getting rolled for 68 and getting passed 2 down.

Round 17 V Spoc saw another new comer and good guy Mikes in a panic come out and score unbeaten 36. A great line up with club legends Paul McKenzie, Trevor Wise and Graham 'the Chief' 'Colwill Again, we didn't make enough runs and limited bowling resulted in another loss.

The final game was a chance for us to beat Warriors and stay in LO4. Rob Williams entertained us and took 3 crucial wickets, Dave Fitz did well with some poles as well, but ultimately the season was done and another loss ensued.

It was a pleasure to skipper the LO4s for a few years. Hopefully a lot of the new faces that emerged over the last few years will play on next season and beyond. A special thanks to all the blokes (and Mikaela Wilson, who also took a blinding catch) that came out and helped when the chips were down. Finally congratulations to the A Grade for a sensational come from behind win, and get back into A2s.

Senior Awards

Season 2021-22

Bomber Medal

The winner of the Bomber Medal is determined by votes cast by each Senior Captain across all Senior grades after match. **Votes are awarded on a 3, 2, 1 points voting system**, where the best afield receives the maximum 3 votes, the runner up 2 votes, and the third most effective player 1 vote.

Winners (joint):

Chad Parrish,	11 votes
Steve McInerney,	11 votes
Damon Dermody	11 votes

Club Champion

The Club Champion is awarded to an A Grade player determined by the votes from the umpires, scorer & captain after each match. **Votes are awarded on a 3, 2, 1 points voting system**, where the best afield receives the maximum 3 votes, runner up 2 votes, and the third player 1 vote.

Winner:	Chad Parrish	44 points
Runners up:	Brad Kielow Damon Dermody	35 points

Sid Shepherdson Most Improved Player

Selected by the Senior Coach in conjunction with the senior Captains. The Award is named in honour of Sid Sheperdson Life member and hall of famer - a dominant opening bowler of the 1960's and 70's, and Club President from 1970 to 1974.

Winner: **Dylan Rowe**

Ken Mosley Most Promising U23 Player

Selected by the Senior Coach in conjunction with the senior Captains.

Winner: **Tom Marshall**

Vera Friend A Grade Fielding Trophy

Selected by the Senior Coach in conjunction with the senior Captains. The Award is named in honour of Vera Friend Life member and stalwart scorer for over 20 years across the 1970's and 80's,

Winner: **Louis Bond**

Best Club Person

Selected by the Committee, awarded to an individual of any membership type (Life, Player, Parent or Office holder) in recognition of their outstanding individual contribution to the Club.

Winner: **Nicole Williams**

SENIOR AWARD WINNERS

A GRADE		Winner
Bowling	Chad Parrish	31 wickets at 9.32
Batting	Bradley Kielow	361 runs at 36.10

B GRADE		Winner
Bowling	Andrew Spence	16 wickets at 12.13
Batting	David Maunder	193 runs at 64.33
Fielding	Dylan Ladner	

C GRADE		Winner
Bowling	Charlie Sutton	13 wickets at 12.38
Batting	Mark Healey	259 runs at 19.92
Fielding	James Mifsud	

LO GRADE		Winner
Bowling	Nintin Jakhwal	14 wickets at 14.07
Batting	Nick Vlok	312 runs at 39.00
Fielding	Iain Campbell	

Junior Cricket

Director - Nicole Williams

Our Juniors had another really positive season again this year at Brighton Cricket Club. This year we fielded 17 teams in Adelaide Turf Cricket Association (ATCA), 2 teams in the Girls Strikers League and another two teams in the Little Strikers and Rookies teams. We had over 220 juniors play cricket at our club this season and another 65 participants in the blaster program. Our retention rate from the previous season was again above 95%, which is terrific to see, because it shows that our junior programs are going well and have a really strong future!

Whilst we didn't have any junior teams win grand finals this year, all our junior teams were competitive and Brighton CC was well represented in every age group and division. Our 16&U Girls made it through to the grand final, but unfortunately were not able to defeat Mitchell Park. Our U15 Div 1 team, had a terrific season and made it to the semi-finals, but were defeated by Flinders Park who went on to win the grand final.

This season we once again had a couple of challenges outside of a 'normal' season, that we hope we don't have to manage next year. A storm in July 2021 destroyed the nets around Oval #2, and due to the delays with their repair, we were unable to use the grounds for the first eight weeks of the season. With the support of ATCA, other clubs and our local schools, we were able to ensure all games went ahead. We are very grateful to those involved for assisting us with providing grounds for our juniors to play cricket during this period. We also had strict covid-19 guidelines in place throughout the entire season, which at times was a challenge to manage. However, these restrictions only resulted in three junior games for the entire season not going ahead, which again was a terrific outcome, given the number of covid-19 cases in the wider community.

This season we played junior cricket home games at the following locations; Brighton Oval #1, Brighton Oval #2, Brighton Primary School, McAuley Community School, Paringa Park Primary, Brighton Rugby Club and Westminster School. Thank you to all of these clubs and schools for allowing us to use their facilities during the season.

I would like to thank all of our coach and team manager volunteers who gave up their time to develop our players, ensure we fielded teams each week and most importantly made sure our juniors enjoyed playing cricket! Thank you to the BCC Committee for your support and assistance throughout the season, you are a terrific group of people who I have really enjoyed working with and I am really proud of the quality of the junior programs that we have been able to deliver again at Brighton this season.

On a personal note, I would also like to thank those individuals who submitted my nominations for the SACA Volunteer of the Year. Whilst I am extremely proud and humbled to be the recipient of both the SACA and Cricket Australia's, Community Cricket Volunteer of the Year, I could not have achieved what we have at Brighton CC over the past 4 years without the support and contributions of our Committee and other volunteers. Thank you to everyone who has contributed to this, we are a very large cricket club and it does take a lot of effort to keep things moving seamlessly.

Brighton Cricket Club is a terrific club to be part of, we have so many wonderful people willing to volunteer their time and contribute to our club, we have built a terrific junior program and I can see that our club has a very strong future.

I look forward to replicating this success again next season!

U17 Division 1

Coach - Brett Fleetwood

Unfinished Business

After sitting top of the ladder most of last season but bowing out in the semi we went into this season motivated and full of ambition. The competition moved from U16 last season to U17 this season. This was great as it meant we could keep most of the team together for another shot at the title.

We created a much more adaptable arrangement this season. With many boys having big cricket loads coupled with School work, Brighton cricket was there for a more relaxed family fun experience on a Sunday afternoon. We created a flexible registration that allowed some of the boys who were busy but still wanted to be part of the team to play limited games. This allowed me to call on them to build the team each week around their other commitments or injuries etc.

It was fantastic that we could blend our trainings in with the Seniors. This allowed the boys to still make other commitments but when available know they could get a great session in regardless of the U17 numbers. We will continue to build on this next season with some exciting options like regular center wicket training to continue to educate and challenge the boys.

Massive thanks to all parents in getting boys to games and training and helping where possible. I know it's challenging, so I truly thank you. Extra special thanks to Louise and Brett Lewis, super organised as team manager plus scoring, drinks, ice, and everything else.

Thanks to Chadd for filling in for me and getting a handy win while we were in iso. Thanks also to Gibraun, Michael, Brett, and anyone else who helped the team as umpires, scorers and conversation on the sidelines.

Season

It was the kind of season that presented many interesting challenges, both on and off the field. weather, Covid, injuries and outside commitments,

together with a very high standard of competition all ensured that the boys would grow their game by season end. We also included a fun SACA T20 comp that gave the boys a great experience and saw us beat eventual winners in Goodwood.

We started the season well. Our first game we were cruising against Goodwood only to be rained out. This was followed by a strong win against Pooraka away with Big Oscar making a century in 72 balls on his dads' birthday. Great Gift idea Oscar! We then had another rained out draw against Glenunga to be sitting in the top half of the ladder. Next game was against eventual premiers in Marion who gathered together a very strong team. They posted 374 in 72 overs and after we lost a few early I was proud how we hung tough on a hot day to nearly bat out our overs. Coming off that tough challenge we came up against Port who were sitting 2nd and eventual runner ups. This game went right down to wire eventually falling 19 runs short. This showed us we were a team that was around the mark.

After the Christmas break, we came out for a one-dayer against Plympton. Charlie and I were in isolation so had to watch it over MyCricket. We got the chocolates with Big O snaring a Five-fa. Another tight game showing how close and Div1 competition is.

The next game against Fulham again was rained out. We were cruising at 3/50 chasing their 139. This was followed by Goodwood away which we fell 40 runs short.

With 2 games to go and the up and down season it meant that we needed an outright win to put us back in the top 4. We were half a chance against Pooraka at home on Oval 2 who we beat convincingly in round 2. After loosing the toss and bowling first we had them on the ropes at 7/82. They then put together a decent partnership to finish on 125. However, we only had 11 overs left on first day. It was hot/tough session were we lost one early to be 1/11 overnight.

The following Sunday the sun was out and the birds were chirping as Javi walked out to the crease. The third ball of the day he clipped off his legs sailing over the ropes, followed by two more in

U17 Division 1 (continued)

Coach - Brett Fleetwood

the over. Outright here we come. He went on to amass 158* from 103 balls (wagon wheel below). But most of all it put his team in a strong position with a 107 run lead at tea with 34 overs to bowl them out.

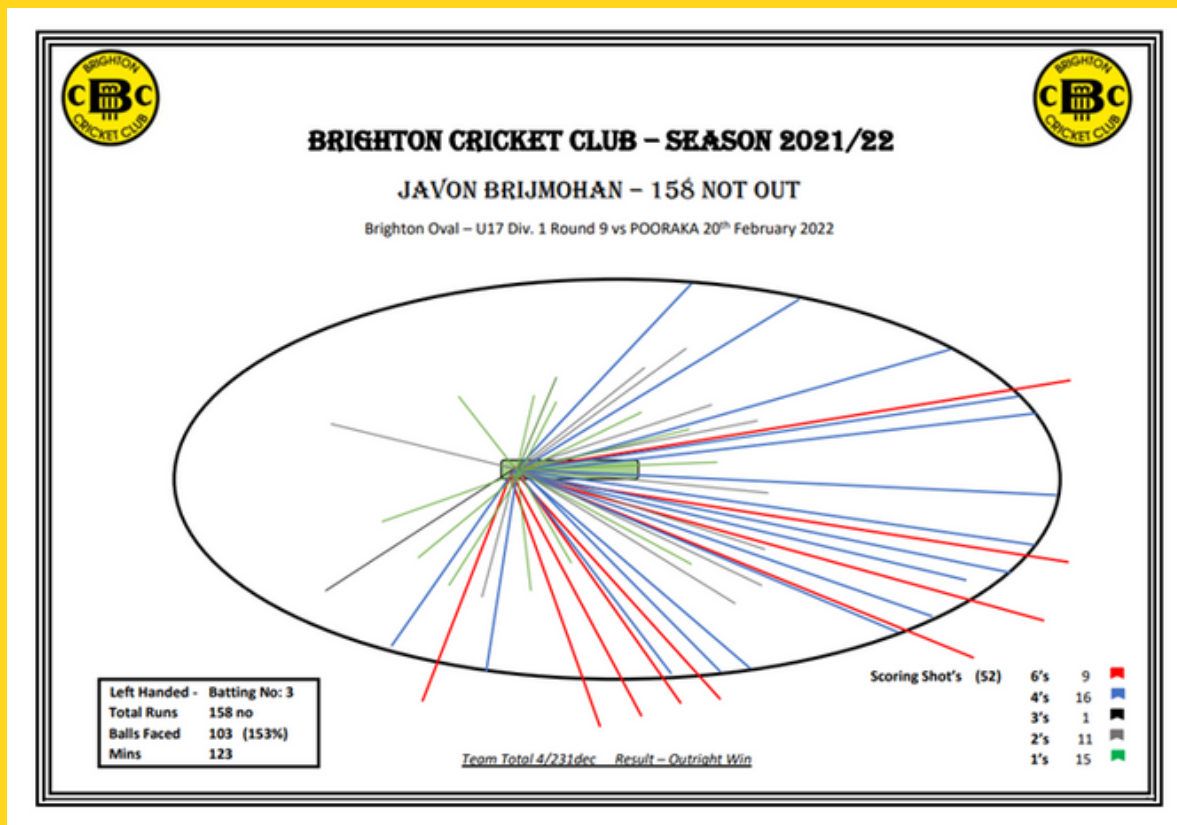

Pooraka took up the challenge of the run chase and were 0/28 off 8 overs. The captain then turned to spin with Chaz getting a wicket on his first ball. He then went on to record his best figures of 6/5 and most importantly secure us a valuable outright win (video link of the last overs included on the next page). Also, a highlight was Tom Dermody who ran in all game collecting 7 wickets for match including a spell with Charlie where they collected 7 wickets in 5 overs for 2 runs!! Hands down the best game of cricket I've been involved with!

Pooraka took up the challenge of the run chase and were 0/28 off 8 overs. The captain then turned to spin with Chaz getting a wicket on his first ball. He then went on to record his best figures of 6/5 and most importantly secure us a valuable outright win.

Also, a highlight was Tom Dermody who ran in all game collecting 7 wickets for match including a spell with Charlie where they collected 7 wickets in 5 overs for 2 runs!! Hands down the best game of cricket I've been involved with!

With the last game of season against Glenunga we needed a win. We held our heads high against a strong team on a strong home ground advantage. While we ultimately fell an agonizingly 23 runs short there was some hype as we thought were still in finals as Goodwood also lost their game. However, as the scores were entered in on Monday morning Fulham jump us both to take fourth spot.

Massive thanks to the boys who always meant I had a great Sunday afternoon, win, loose or draw. Also, thanks to all parents for their help and support. You all have wonderful children that are growing into fine young men and I hope to keep watching them grow as cricketers and people in the future. It was a super exciting end to season which reminded us how much fun cricket and sport can be.

Video of the final over - round 9 vs Pooraka 13 February 2022:

U17 Division 2

Coach - Scott Prettejohn

The Season that was

The U17 boys gave it their all against the odds

Firstly, what a credit to the Brighton Cricket Club being the only club to field 2 U17 sides. This did mean the U17 Div 2 boys were playing against A grade sides every match, but to their credit they took it in their stride and played some very competitive cricket.

With a couple of players pulling out before the season started, we were left with a core group of 10 players and hence relied every game on fill ins from the U14s and U15s. The boys that filled in were far from out of their depth, which is a great sign for the future of the club.

It was a season of interruptions with 2 games being washed out mid game, in both the boys were in a dominate position, and another game abandoned mid game when 4 of the boys went down with COVID.

The team highlight was the round 2 win against Brahma Lodge, where we were only 1 wicket from winning outright. In that game Alex Buckby starred with the bat scoring a century.

There were a couple of other individual efforts during the season deserving a special mention:

- Tyson Prettejohn's 5 for 32 off 10 overs in round 1 against the eventual premiers Woodville Rechabite
- Kanvarveer Jhangra's (U14) 5 for 14 off 10 overs in round 7 against Athelstone.

Another special mention to Rithic Pariyarth who joined the club this year and hadn't played club cricket before, his dedication at training and in games was great to see and his improvement by the end of the season was remarkable.

The team was well led by our captain Jaedyn Noronha and vice captains Alex Buckby & Hamish Pepper, who all led by example out on the field.

Leading Player Statistics

Batting – Alex Buckby 285 runs at 31.67

Bowling – Tyson Prettejohn 16 wickets at 21.63

Fielding – Jaedyn Noronha 7 catches

A personal thank you to Tim Pepper who took on the role of Team Manager this season, he kept everyone well informed, manned the score book most games and ensured the umpires were always paid.

Finally, for 8 of the 10 boys this was their last season of juniors, I strongly encourage all of them to take the step up and play seniors for Brighton next season.

U16 Girls

Coach - Michael Trenerry

Intent

What a great team of young Women! It has been an absolute privilege to be a part of the Under 16 girls' team for season 2021/22. Tony and I could not have been prouder of the way the team progressed throughout the season.

It was clear from the first training session, that we had an eclectic group of cricketers. Some of our players had several years of cricket under their belt, whereas others were in their first or second year. As the season progressed, the gap of age and experience only seemed to strengthen the girl's willingness to play as a team, as they realised that individual experience doesn't win games, but it is the team as a collective that produces results.

Tony and I stressed to every player (every week!), that we only ever wanted to see the girls try their hardest and work on their personal improvement. If a player played a shot they were learning at training, and/or they were trying to score runs, we were just as happy for them if they achieved their highest score, or if they got out. If the Intent was there, then we knew they were working hard for the team and their own personal improvement at the same time. When it came time to take the field, a players intent shows clearly, and this was another area of huge improvement.

We really spent a lot of time focussing on the basics, and it didn't take many games to see how the girls started transferring what we were doing at training, into a game.

Grand Final Day 2022, and we truly believed we could make it 2 in a row. Momentum led us to our best batting performance of the year, and when we took the field, confidence was high. Our opposition were too strong on the day, but to be this competitive against the strongest team of our competition, it just proved beyond doubt, that our team had come along way this season. Therefore, our last message to our wonderful team of young cricketers would be to just keep learning, keep focussed on being a positive contributor to your team, and go into everything you do with intent. Don't forget too, that you need to do all the above with a smile on your face!

A big THANK YOU to all the parents for your support right through the year. We only have a team of players, if we have an equally committed team of Parents. Enjoy the Winter break.

Most game days seemed to be on or near someone's birthday! Win or lose, the team enjoyed and celebrated their teammate's day (often with a cupcake!)

U15 Division 1

Coach - Craig Douglass

The U15 Division 1 team had an enjoyable and successful season, making the finals but unable to go past the semis.

Our team was made up by mainly District Cricketers with a couple of guys in the squad of 13 for development. The U15 Division 1 competition is strong and made up by teams of similar compositions. From this age group onwards the rules change and there is no longer the requirement to rotate bowlers or retire batsman.

Our team was very well lead by Ethan Williams who also won our batting with 187 runs @ 20.8. Ethan is an intelligent cricketer who reads the game well and he really got this team to follow and respect him, which was impressive to see. Ethan was ably supported by vice-captain Max Mathews who was runner-up in the batting with (177 @ 29.5), followed by Lachlan Douglass (172 @15.6), Rueben Brookes (118 @ 16.9) and Zach Parish (116 @ 14.5). A century opening stand between Ethan and Lachlan (123) v Walkerville was a highlight.

Louis Fontaine won the bowling with 17 wickets @ 16, followed by Ethan with 14 @ 10.2, Jude Pope 10 @ 13.1 and Max Mathews 9 @ 15.8.

Our bowling was potent all season as shown by us rolling Reynella for 58 and Walkerville for 77 in the final 2 minor round matches. Louis' 6/28 v Reynella and Popey's 4/9 v Goodwood were a couple of highlights.

From a fielding point of view, we unearthed 2 excellent wicket keepers this year in Reuben Brookes and Zach Parish, who shared the keeping duties. Both of these guys are excellent movers in the field so we knew that they would take to keeping which they did with great success. Reuben is the fielding trophy winner this year and I hope that he and Zach continue to keep wickets in the future.

Unfortunately Max Mathews broke his finger and didn't play after round 7, missing the last 3 minor round matches and the semifinal. To his credit, Max didn't miss a single training or match after his injury and continued to support the team and the coach. This displayed so many great things to his teammates; particularly what character looks like and how to keep going when things haven't gone your way - which is a lesson that all cricketers must learn if they are going to be successful. Max wins this year's Coaches Award - thanks for the great example you set this year mate.

Back Row: Max Greenslade, Michael Jansson, Max Matthews, Nick Wigley, Lachlan Douglass, Jude Pope, Nick Foster.
Front Row: Denny O'Grady, Ethan Williams, Reuben Brookes, Lochie Inglis, Louis Fontaine, Rahul Evuri, Craig Douglass (Coach).
Not in picture: Zach Parish.

U14 Division 1 Gold

Coach - Travis Smith

Spring had sprung and 13 likely young men were selected to represent the mighty Brighton Cricket Club in Under 14 Division 1 for season 2021-22 and would be known as the 'Gold' team.

After a gruelling pre-season we greeted Brighton Black in round 1 at headquarters. We bowled first and Black made a formidable 7 / 191. Of major concern was the 62 extras we conceded. Dermody, Smith, Kerley and Symonds were the pick of the bowlers and Howatt was our best fielder.

Unfortunately, we didn't get the chance to chase the total the following Sunday as the sprinklers came on Saturday night and the match was abandoned due to the pitch being deemed unsafe. Reports of members of our parent group sabotaging the watering system on Saturday night were grossly exaggerated.

After losses to Marion and Goodwood, we re-committed to our original game-plan of batting with intent, bowling at the stumps, attacking the ball when fielding and encouraging our team mates.

The game-plan came to fruition in the next round against Unley. Bowling first, we dismissed Unley for 181 in a dominant fielding performance consisting of 9 catches and 1 runout which rewarded good bowling. Makkar took 2 / 4 and a spectacular catch. The following Sunday we reached the total only 2 down before having some fun with the bat and posting our season high (and competition 2nd highest) total of 7 / 299. Run-machine Evuri and Arnold batted well.

Our most complete match of the season came against Brighton Black in round 8. We restricted the opposition to all out for 91 thanks to some accurate bowling by Newell and Goldenberg, crafty legspin by Fitzgerald, exceptional fielding by Rowe and a lush outfield. The following week we chased the total within 23 overs thanks to aggressive batting by Symonds, Jhangra, Rowe (re-invented as an opener) and Goldenberg. Reports of our parent group mowing the outfield on Saturday night were untrue and scandalous.

To summarise the season; Our best cricket was definitely good enough to take the game to all opposition teams but perhaps we lacked the confidence at crucial moments to threaten the top 4 sides. Most pleasing was the improvement by all players throughout the season evident by the team only conceding 10 extras in the final round (down from 62 in round 1).

Thanks to Team Manager Ceri Dermody for keeping us all organised and to all parents & caregivers who helped throughout the season.

Yours looking-forward to next summer

Travis Smith

U14 Division 1 Black

Coaches - Bevan Constable & Ralph Slape

Season of learning

The junior cricket season of 2021/22 for the U14 Div 2 Brighton team will be remembered as a season of learning, for both the boys and the coach.

The boys came together at the start of the season and all bonded pretty quickly, some through existing friendships and others through willingness to get to know each other. Watching the bonds of friendship and team spirit grow and develop over the season is something that will be remembered.

Each team member had their own individual journey throughout the season. Some of the boys were starting with little or no experience of either playing cricket or playing on a full-size turf pitch with a proper hard ball, whereas others were continuing their progression through the grades stepping up from U12 last season to playing their final year at U14.

The most rewarding thing to come from this season of learning, in my opinion, was watching the positive progression of each of the players from where they started at the beginning of the season. Not alone have their cricket skills and techniques improved, but also their game awareness. Their confidence grew game on game, as did their resilience. The spirit the boys showed right to the end of the season is a testament of their characters and something to be proud of.

We had some good battles on the field along the way with some memorable wickets, catches, run-outs and batting strokes banked away to reminisce on in years to come. We met some good teams with some good characters, ensuring some friendly banter was had by all.

Personally I would like to thank each individual member of the team for all their efforts throughout the season, from turning up to training on a Friday night to competing right to end of each and every game on a Sunday morning, even when we knew the game was gone and we were fielding in plus 30 degrees temperatures.

I would also like to thank the boy's parents for committing to the season bring your child to training and games, for helping me out with training and on game days, and for your all-round support and encouragement to the boys. Well done.

I would especially like to thank the management team who went above and beyond for the whole season, particularly working tirelessly in the background to ensure that we had a full team every week. This was not an easy task with all the challenges that cropped up every week, you did an amazing job.

I look forward to watching these boys develop further in the future and hopefully cross paths again one day.

U14 Division 2 (continued)

Coach - Alan Greaney

U12 Division 1 Gold

Coach - Jason Gaerth

Champion Team

I had the pleasure of coaching a great bunch of boys and working with a fantastic group of parents this year. We always had great attendance at training with lots of support from the parents. Of the 12 players I had in my squad this year I was fortunate that 6 were boys that I had coached in the previous years.

This season our team competed in the ATCA Under 12 South Division 1 comp. This division comprised of 9 x 25 over and 3 x 40 over per side games played on either a Friday night or Sunday morning.

Our team of 12 players comprised of a mixture of boys, some new to the club and others in fifth year of club cricket. For the first half of the season, we focused our training on reinforcing some cricket basics like – Backing up while batting at the non-strikers end, loud calls for runs, walking in with the Bowler, backing up in the field and using our voices to positively encourage our teammates.

In the second half of the season, we concentrated a bit more on our bowling, batting, and running between wickets. Working on things like – getting our run-ups correct, bowling outside of off stump, putting our foot to the ball when batting, keeping our bat and pad close together and having our front elbows up when playing straight. I am so pleased to say the boys have come such a long way this season to the extent that they needed little guidance on field come the end of season. This will stand them in very good stead as they develop further in their cricket journey.

We were very fortunate this year to have such great attendance and availability of players for game day that there were only 2 games for the entire season that we needed fill in players to make up our playing 11. During our season we played a total of 12 games and remained undefeated for the season. These results make our team the best performed in the Under 12 Div 1 competition.

All players on different occasions had outstanding performances contributing to our very successful season.

There were some fantastic batting performances, great bowling displays, classic catches, exceptional run-outs, stumping's, and efforts in the field.

All the boys can be very proud of their achievements and improvement over the season and should be proud of what they have achieved as a team and individually.

About half of our squad will be moving up into the Under 14 comp next year and should be very confident in their own abilities and I wish them all the very best and hope they all continue with their cricket

Another strong focus for our team this year was Sportsmanship. Not only did this group of boys show great cricket ability but they also played their cricket in the right way.

They always went out of their way to not only recognise and reward the achievements of their own teammates but also those of the opposition players. On numerous occasions we received compliments from opposition supporters, parents, and coaches for the way our boys conducted themselves both on and off the field. This is something they should also be very proud of.

Our great team performance was also recognised by 5 players from our squad being selected to try out for the ATCA U12 Representative team, with 4 being selected for the final playing squad. I also had the pleasure of coaching this team that went on to win both the Metro and State competitions. I am very confident we will again have more boys representing BCC in this carnival next year.

Well done to all players for getting through a very competitive full season of club cricket. I hope you learned a lot and most of all enjoyed your cricket experience. I am very confident in the future of the Brighton Cricket Club after what I have seen from these guys this year.

U12 Division 1 Black

Coach - Percy Badenoch

Before the season commenced I was told division 1 was going to be a bigger challenge than what division 2 was the previous year because the standard of division 1 was much stronger. Once my squad was finalized I was very happy to have these boys in my team, as there were 9 division 2 players from last season and being told my squad was statistically less talented than the other teams I knew there was a challenge ahead.

Division 1 certainly didn't faze the boys as they adapted very well and very quickly. Their performance for the season was very good with noticeable improvement from most players. Some outstanding catches was a highlight of some very good fielding. Their team work and sportsmanship was very good.

When most teams don't get parent support I must say that all twelve families were very involved and supported me and the players whenever they were required for the entire season. With the parents support my job was made much easier and was a contributing reason for the way these players improved and enjoyed their cricket. Having Lisa Badenoch as team manager made my job easier and kept all families well informed.

Thanks to everybody for their help and support to make this season a success!

Top row: Lochlan Craig, Ryan Gentry, Mitchell Connors, Percy Badenoch (coach), Charlie Tilbrook, Oliver Spence & Oliver Tebbutt

U12 Division 2 Gold

Coach - Ben Page

Gold Team

Firstly, I would like to thank Mandy Haywood for being our team manager this year. Mandy was a tremendous help throughout the season and made my job a lot easier. I would also like to thank all the parents who helped out during the season, whether it be scoring or umpiring. We had a few nervous first-time scorers, but you all did a fantastic job. A special thank you to Simon Kennedy who helped on quite a few occasions during my absence and to the other dads that gave Simon a hand during these times.

What a great season from the boys! It was a great challenge for many of them, moving up from the younger age group and playing against boys who were mostly 12 months older than them. Whilst it took some of the boys a little longer than others to adjust, to their credit they 'stuck at it' and the improvement of all players throughout the season was obvious to all.

After the Christmas break the boys really started to gel as a team and grow in confidence which was highlighted by them winning their last three games of the season in a row.

We had many great performances during the season, and it was great to see that every player contributed to team victories. There were many great innings played by our boys and whilst some were not always rewarded with big scores, they did occupy the crease and form very important partnerships for the team.

Congratulations to Ollie Thompson who was our standout batsmen scoring nearly 200 hundred runs for the season. Charlie Zweck and Mason Hansen both scored over 100 runs for the season, Jack Collier and Harry Ward batted very consistently throughout the year and Rory McAssey took his batting to a new level after Christmas. Well done also to Charlie Edwards who was given the challenge of opening that batting late in the season and batted very well.

Back Row: Jack Collier, Ben Page (Coach), Luke Pilkington, Charlie Zweck, Jude Haywood, Harry Ward, Chris Avdelas
Sitting: Jack Wittwer, Oliver Thompson, Rory McAssey, Mason Hansen, Joel Kennedy Laying: Charlie Edwards, Thomas Page

U12 Division 2 Gold (continued)

Coach - Ben Page

We had some dynamic fielders in our side this year and the quality of our fielding kept us in and won us more than a few games. 10 of our 13 players took at least one catch and 9 of our players effected run outs. Charlie Zweck and Mason Hansen proved that they have a deadly accurate arm with 4 run outs each this season and not far behind them was Rory McAssey with 3. Mason was equally as good when it came to catching, along with Joel Kennedy they had very safe hands taking 4 catches each whilst Luke Pilkington was very reliable whether it be keeping or at first slip taking 3 catches.

Our strength this season along with fielding was our bowling and it was great that every player in our squad took multiple wickets. Ollie Thompson proved his allround skills by finishing as our lead wicket taker with 7 wickets. We had a great mix of bowling talent. Our quick bowlers Charlie Zweck, Mason Hansen, Jude Haywood and Chris Avdelas were very difficult to handle. Our medium pacers Ollie, Rory McAssey, Charlie Edwards, Harry Ward and Jack Collier were great all year taking 25 wickets between them. It was our slow bowlers who excelled in the final few games when we got on our winning run. Jack Wittwer and Joel Kennedy were dangerous all year, getting a lot of turn off the pitch to trouble all batsmen and together with Tom Page and Luke Pilkington our 4 slow bowlers bowled very economically to help us win those games.

The boys were a pleasure to coach this year and really are a credit to their parents. They always played in good spirits and showed good sportsmanship. I wish them all the best for the coming seasons.

U12 Division 2 Black

Coaches - Mohit Sareen & Matt Raponi

Ambassadors

Firstly, and most importantly a huge thank you to Matthew Raponi (Matt) and Team manager Simon Sincok for everything that they have done. Their efforts have been wonderful and inspirational to so many young players. None of this would have happened without their hours every week with planning and running training, organising teams, sorting kit and taking matches amongst a million other things. Such selfless dedication so that a young players could develop as a cricketer should not be forgotten.

Thanks also to all the parents, carers, friends and family who turned up and given support to us. Your ethic helped the team to be what it is and for that we are all incredibly grateful. Brighton is a club with a community ethos, and you are an integral part of that.

We've had great success this year, losing only two games, one against Goodwood was a nail bitter. We've won all other games, had incredible individual and team milestones but no accolade is ever more important to our success than opposition coaches describing our team as respectful and being ambassadors for the spirit of cricket. We have quite rightly earned the reputation of being a team that other parents would love their children to play for. Long may this continue.

Congratulations to Jude Sincok who was our standout batsmen scoring 137 hundred runs followed by Lachlan Diercks who was one run behind at 136 for the season. Oliver Priestly and Angus Cozen both scored over 100 runs for the season.

Some great balling performance by Luca Piovesan, followed by Angus Cozen (disciplined baller), Elijah Raponi (only leg spinner in team), Zachary Raponi (Fast baller), Hamish T Jones (Game Day baller), Hamish Laidlaw (Tall fast baller).

U12 Division 2 Black (continued)

Coaches - Mohit Sareen & Matt Raponi

Above all, our fielding has set us apart from the competition this year. Two keepers who did exceptionally well in saving runs behind the wicket were Noah Fitzgerald and Luca Piovesan. Bought discipline in the field.

Allrounders and exceptional fielders, Arya Sareen (Allrounder and Sharp, accurate throw), Lachlan Diercks (good game awareness), Oliver Priestley (confident, aggressive and brings character to the team), Angus Cozens (quickest with the ball in the field).

It was very special to coach this team, it was great to see the boys develop their skills and develop friendships. Team did over-exceed my expectations. Thank you to all players, for making this season memorable for me. I wish them the best for next season.

U12 Div 2 White

Coaches - Paul Fitzhardinge and Greg Stone

The objective for the season was for the players to play the game displaying good sportsmanship, improving their cricket skills, playing as a team and enjoying the competition, having fun.

From Not Out to Out

For most of the players, this was the first season where the reality of being given out as a batsman was first experienced by the players that had played in the under 10's the previous season where a batsman would bat out the minimum number of balls faced regardless of losing their wicket. Initially this created a challenge to both players and parents managing emotions through the course of the season, by the end of season, all players accepted the umpire's decision and accepted through the spirit of the game that they had lost their wicket.

Sportsmanship

The philosophy of playing the game of cricket is that it's better to lose the game by playing by the rules than winning the game by breaking the rules and/or challenging the umpires decision. It's a credit to all players that they accepted all of the official decisions during the course of the season regardless of disappointment in the decision.

Playing as a team

Another objective of coaching the players was that any player in the team can win a game by taking a crucial catch or stumping, creating a run out, taking a wicket bowling and making a high score with the bat. As a fielding side, once the ball has been bowled every player on the field is in play and while batting, partnerships are key to building a winning score. Communication is crucial both fielding and batting where quick decisions could result in a run out while fielding or scoring a run while running between wickets while batting with their respective partner. Again, it's credit to all players in the team that both encouraged and supported their team mates with praise and support working as a team.

Thank you

Speaking on behalf of Greg Stone, we would like to thank all parents who assisted in both training, match days and scoring especially Michelle Wolfenden who was the team manager who was extremely integral in the machinations of managing the administration and communication duties on behalf of the Brighton Cricket Club for our team.

I wish all players all the best for the next season and it was an absolute pleasure to coach the Under 12's Division 2 White team.

Back row: Paul Fitzhardinge (coach), ilios Fitzhardinge, Lachlan Barkla, Desh Traino, Finn Clarke, Levi Porter, Thomas Warner, Noah Jeffries, Greg Stone (coach). Front row: Zion Sohi, Mitchell Gibson, Logan Wolfenden, Lucas Stone, Thomas Graham, Naman Patial

U12 Girls

Coach - Jamie Parish

Thirst for improvement

Thank you to all the parents for your generous support throughout the season - our attendance rate at Monday night training was close on 100%. Thank you also to the players - all of you brought a fantastic attitude to each training session, where you all applied yourselves to improving your skills to take something new with you into the next match.

It was clear and obvious to anyone who watched us this season that we improved throughout - learning from one match, working on something in training and then applying in the next match. As a coach - that is one of the most rewarding aspects of the role.

Thanks to Scott Dawson in particular for being a fantastic assistant coach and also to Tony Bierbaum and Aaron Heaney for their support at training and in particular all the occasions they wrestled the flix pitch back into the shed for us.

Back Row: Evie Bierbaum, Evie Parish, Jamie Parish (coach).
Front Row: Emily Powell, Irene Adak, Charlie Heinicke
Not in picture: Indi Heaney, Sarah Flanagan, Grace Dawson.

The story of the season - we played 10 matches with only 1 washout, in a round robin division with 4 other teams: Goodwood x 2, Marion and Morphettville. We finished in the runner up spot to a very strong Morphettville team with 5 wins and 5 defeats. We lost the early season matches to both Goodwood teams and in the second half of the season we had improved so much we beat both of them soundly in their own back yard - which again, as a coach was very satisfying to watch!

Evie P. had an outstanding season - 116 runs in 10 innings in a completion where you get about 14 balls each. Hitting 19 fours helped with that run total. Evie also honed her bowling this season, a tall left hander bowling full across the right handers picked up 9 wickets in 21 overs. [9/91 and 116 @11.6].

Evie B. loves bowling fast at peoples toes. This has brought her great success, even in a competition that doesn't give LBWs, although Evie will still appeal for an LBW. One of our leaders on the field - sent down 22 overs and took 6 wickets also scoring 39 runs with the bat. [6/92 and 39 @4.33]. Both Evie's are ready for the next challenge.

Charli was our one of our 2 new players this season and integrated fantastically into the group. Charli has a quiet but determined nature and has embodied the improvements the team has made week on week. It was brilliant to see Charli cutting a 4 away in the run chase in our last match of the season, it was a shame the season came to an end as we all really wanted to see more of Charli's cricket skills continue to develop. [3/109 and 21 @2.33]

Sarah leads by example, has been fantastic at demonstrating technique and application with the younger players who pay close attention to Sarah's bowling and fielding and most importantly when to run singles. A genuine all rounder who consistently was also our most economical bowler - with an economy rate of 3.55; took 5 wickets across 8 matches and accumulated 39 runs with the bat. [5/71 and 39 runs @4.88]

U12 Girls (continued)

Coach - Jamie Parish

Emily started the season on fire with the ball in her hand, bowling a really full hard to play length. Emily has embodied so much of the team spirit and the building on and learning from the experience of the previous match to be a better runner, batter or bowler in the next match. Emily took 5 wickets with best figures of 3-8 and with the bat scored more runs in the last 2 matches than the first 7 combined. [5/89 and 20 runs @2.22]

Irene was our second new player, and don't be fooled by Irene's small stature as she is a fearless competitor, and took on the biggest bowlers in the division. Irene has a really good game sense and demonstrated in one of the tightest matches of the season - when to go on the attack and when to defend, resolutely blocking out the last over to win the match. [3/86 and 11 runs @1.22]

Indi, along with Evie P, Evie B and Sarah - was part of the first intake of U12 Girls at Brighton. Indi has developed her cricket skills enormously over the last 6 months improving her bowling and ball striking noticeably across the season. Indi is also our most vocal team mate and keeps me on my toes when umpiring with updates on the no. of overs left in the innings and other important information. [4/118 and 19 runs @ 2.11]

Grace - Our youngest teammate, has now completed 2 full seasons of U12 cricket and like the team as whole continues to work hard in training and improve her cricket skills week on week. Grace is also a fantastic team player and looks out for her team mates and coaches to make sure they have enough lollies and snacks during the match. [3/76 and 21 runs @ 2.63]

Thanks to all of you for being such a pleasure to coach, I can see your love of the game and I will miss seeing you enjoyment when playing this funny sport we hold so dear.

U10 Gold

Coaches - Dylan Rowe & Kurt Mathee

Boys reach Gold medal heights with their cricket

If I had to sum up the season of the Gold team with one word it would be enthusiastic. The team showed plenty of energy and excitement for a new year and this carried right throughout the season. The team mainly consisted of second year U/10's, with a few new players added into the mix. This gave a great foundation for future growth and improvement for each individual on the team. And as the season went on allowed for us to work on improving each changing aspect of the players bowling, batting and wicket keeping.

Our season started at home against Brighton Grey, being the first game, Kurt and I were unsure what to expect but eager to see what we had to work with. The team played so well with everyone making runs and many getting involved with wickets. It was great to see. Over the next few games we played against other fellow Brighton teams including Brighton Black, White and Red.

The guys competed really well and these games showcased the talent within the Brighton Junior programs, specifically at U/10 level. What became clearly evident to Kurt and I was our team's inability to run between the wickets and calling for runs. This was something we worked hard on with the boys and became progressively stronger as the season went on.

As the games went on, the boys not only improved with their cricket but grew closer as a team, showing great encouragement to each other, particularly after we got a wicket. The boys continued to improve and develop through the middle of the season, picking up wins against Marion and Goodwood teams, all while battling to have enough players every week. By the end of the season Kurt and I couldn't have been more proud of the boys and their improvement as young cricketers. This was evident in the last game of the season, where the boys kept Unley (2) to their lowest batting score all year. Kurt and I couldn't be prouder of the boys and their efforts, they were an absolute blast to coach and I wish to see them continue to develop in future years for the Brighton Cricket Club.

Back row: Coaches Kurth Mathee, Dylan Rowe Middle row: Hayden Zweck, Aaron Mathee, Lachlan Barnes, Jaxon Smith. Front row: Tommy Sincock, Ojas Gollen, Narayanan Singaram, Blake Nightingale.

U10 Black

Coaches - Kane Tippins & Mark Stewart

The season commenced with Club trials, Kane and Mark feeling out of their comfort zone by becoming Cricket Coaches for the first time and their first exposure to the Brighton Cricket Club. These feelings were quickly disarmed by an accepting bunch of people all finding their own way and offering support at every opportunity.

Once the teams were announced 'it' became real, a sense of wanting to make the experience for these young impressionable Cricketers everything they and their families wanted.

Our Team Manager, Kath has had a previous years' experience in and around the club and was able to keep us on track as well as guide all the new families. Training commenced in the lead up to game one, the boys eager to show their skills and impress Coaches. It was evident we had a wide range of skills, three experienced players and six new to Club Cricket.

Early season started with a bang, getting a few wins away and this Cricket Coaching caper seemed easy. We were strutting around the Club like Dave Warner after cracking another ton. Then reality hit, rookie errors started creeping in, and the confidence came out of the teams' sails. It was time to invest ourselves in the basics, bowling straight, defensive batting skills, solid fielding. The obvious things of backing up in the field and when running between wickets and who is calling when running.

The initial success of throwing caution to the wind and being flamboyant could only carry us so far and player confidence was taking a hit as our wickets tumbled. Throughout the remainder of the season the development has been easy to see, and every player has made advancements.

We've seen skill development in all areas resulting in a return of confidence in the team. By knuckling down and showing pride in holding our wicket there has been a sense of achievement, followed up by developing an urgency to score singles not just the 'Big Show' shots. With boys watching their heroes reverse sweep, ramp and switch hit it can be a challenge at times just trying to get them to protect the stumps.

Culture has been an integral part of our journey and as a TEAM we have had a great season, developing skills, friendships and respect for the game and people in and around it.

Back row: Kane Tippins, Riley Abbott, Mark Stewart
Middle row: Angus McRae, Henry Paparella, Tom Pannunzio, Sam Edwards
Front row: Rantaj Singh, Oliver Tippins, Ellis Bierbaum, Dane Stewart

U10 White

Coach - Daniel Bartholomaeus

What a team!

In my first year of coaching cricket, I could not have asked for a better group of players, team managers and supporting families. We quickly formed a formidable team that played quality, entertaining cricket in the right spirit throughout a wonderful season.

We had a mixture of very experienced players through to those completely new to the game. This worked very much in our favour as the more seasoned players kindly provided support and advice to those in need allowing bonds to be formed very quickly. The ethos of the White Team was that everyone needed to be a contributor and try their very best for us to succeed at learning, having fun and being competitive.

At training and on match days all of the planning and logistics were handled exceptionally well by Paul and Lyn. The ground was always prepared well before every home game with ice cold water available at all times keeping our players performing at their peaks. Paul and Lyn were ably supported by all of the parents and collectively we can be extremely proud of the players' behaviour at all times during practice and on match days..

We shared of all the duties fairly including the bowling and batting orders and wicketkeeping allowing everyone a taste of the many facets of this great game. It was exciting to see each player learn a new skill or discover a new passion whether it be spin bowling, hitting a four or throwing down the stumps for a runout.

As the season progressed every team member was a true contributor on all fronts whether it be leading as captain with plenty of encouraging words, diving to save overthrows after near miss runouts or pulling one another up off the ground after a valiant attempted catch.

The development from the very first training session through to our final game has been immense for all players and holds them in good stead if they (hopefully) return to cricket and this great club come the next season.

There were hatricks, classic catches, dead-eye runouts, sharp singles, fours, sixes, boundary line saves, stumpings ... so many firsts for each individual and very much enjoyed as a collective. It is unfair to call out any individual player here as the Whites really did exemplify TEAM from start to finish.

Mitchell Forde, Krish Grover, Cian Greene, Harrison Worner, Lachlan Dickson, Niels Koeper, Sam Bartholomaeus, Oscar Tilbrook, Andrey Hines.
Team Manager Paul Read, Coach Daniel Bartholomaeus

U10 Red

Coach - Paul Trotta

Front: Felix Nelson, Christopher Trotta, Max Lloyd, Aiden Beaumont, Tawana Muzamhindo, Thomas Welsh, Harry Lea, Harrison Provis, Sethu De Silva. Back: Paul Trotta (coach)

The under 10 Red team started the season with seven players who had not played before, a rookie coach and a Swedish team manager that knew nothing about cricket.

What could go wrong?

The good news is that plenty went right during the season. The enthusiasm and willingness to learn was abundant and the improvement in all the players was remarkable. The improvement was not limited to batting, bowling and fielding, but also there was a noticeable improvement in aspects of the game and most of the players would not have known existed at the start of the season, like running between wickets and backing up in the field. Players also learnt how to work as a team, support each other and show respect for each other, the opposition and umpires.

Everyone brought something to the team, including:

- Felix showed his raw talent, particularly with the ball - the faster bowler in under 10s

- Christopher developed his leg spin, bowling a combination of leg breaks, top spinners and wrong 'uns
- Max developed into an accurate inswing bowler, and by the last game, the opposition could not get past his forward defence
- Harrison learnt a lot by listening attentively to his coach, and ran well between the wickets which helped him to be involved in some valuable partnerships for his team.
- Sethu was determined to do his best in all parts of the game, particularly while batting, facing up to some much bigger kids with courage.
- Aiden developed an awesome pull shot and also showed a talent for wicket keeping.
- Thomas was an excellent fielder who took some good catches and stopped a lot of runs.
- Harry bowled some tricky inswing at the stumps and called loudly when running between wickets
- Tawana had a great bowling action and bowled some excellent outswing, and demonstrated a high respect for the opposition.

U10 Red (continued)

Coach - Paul Trotta

Not only did the Under 10 Red have a range of talents, they were also from diverse backgrounds, with more than half the team having a, overseas born parent, from Northern Europe, South and North Asia, and Africa. This aligns with the Cricket Australia vision of "A Sport for All".

It was only the kids who had fun, the parents also enjoyed supporting their children, and making new friends. They were always willing to help out with training and setting up for games, and everyone absolutely LOVED scoring.

It was a great season and hopefully we'll be seeing all the players back again next season.

And for the record, the team manager did a great job, and likes cricket so much now, she taught herself how to bowl!

U10 Yellow

Coach - Ben Bretlen

Fun and Camaraderie

So many positives to come out of the season with this group of young lads.

With 7 first year players and 2 second year players the weekly improvement was exciting to watch. As confidence grew and the wins came during the middle of the season the boys did a lot of things right and the results showed.

Every player showed improvement in some way during the season and more importantly the fun and camaraderie between the boys definitely shone through as the season progressed.

Over the winter if the boys can work on their game I'm 100% sure all 9 lads are coming back better and ready to go from game 1.

Our leading wicket taker took 30 wickets and leading batter hit over 250 runs. Plenty of talent and improvement in this team.

As a first year coach/parent at the club I enjoyed every moment of the coaching role. If needed next season i will put my hand up.

Lastly Suvro our manager was awesome. He has taken care of all the extra organising with parents and logging stats making my job easy. Also a great group of parents all helped out when it was their turn with scoring and oval set up.

With a 9 win 7 loss record I think we had a exceptional season with improvement and attitude. Plenty to look forward to in coming seasons with these lads.

(L) to (R): Ishaan Adak, Mason Badenoch, Patrick Hutchinson, Hunter Matthews, Josh Bretlen, Aari Patel, Thomas Inglis, Flynn Hodges.

U10 Grey

Coach - Aaron Landorf & Steve Diercks

A Pleasure To Coach

The under 10 grey team enjoy the fun cricket season, they approached each game and training with a positive attitude and showed significant improvement throughout the season in all aspects of the game.

The biggest improvements were seen in their teamwork and communication when fielding and also with running between wickets.

We gave away far fewer overthrows and leaked less runs as the season progressed with improved backing up and making more sensible decisions with our throws at the stumps.

The boys learnt to take runs regularly when the ball was hit into a gap and clear loud calls resulted in better teamwork and less run outs compared to our early season games.

Every player has improved and will be better placed to play again next season.

They were a pleasure to coach and to see their progress as they developed into cricketers with a positive team attitude.
